INSIDE THE BOOKS

QUEEN VICTORIA

The Record Number of a Record Reign

- A sumptuous facsimile reproduction of ILN's 1897 tribute to Victoria
- Twelve rich colour plates depicting important developments of the Victorian era
- Intricate Victorian pattern engraving with gold and silver ink
- Fascinating Victorian advertising preserved for deep historical perspective
- Original Victorian commentary describing the Queen's working and domestic life, and Britain's evolution throughout the Victorian era
- More than 200 miniature portraits of leading Victorians, such as Dr Livingstone, Florence Nightingale and Charles Darwin
- Features a rare portrait of Queen Victoria from 1897 by renowned ILN staff artist, Amédée Forestier

QUEEN ELIZABETH II

The Record Reign of Her Majesty The Queen

- A tribute to Great Britain's new longest-reigning monarch
- An Elizabethan remake of the original Victorian Record Reign book
- Foreword by Prime Minister David Cameron with contributions and insight from leading figures in the arts, business and politics
- A specially commissioned record reign portrait of Queen Elizabeth II
- The Queen's record reign documented in exclusive images from the Illustrated London News archives
- New and authoritative editorial by historians and cultural specialists, with an introduction by royal correspondent Robert Hardman
- Beautiful gold ink ornamental patterning and typography
